

**LLANFYNYDD
VILLAGE SOCIETY**

COMMUNITY MATTERS

MATERION CYMUNEDOL

BULLET POINTS OF OUR COMMITTEE MEETINGS HELD ON 29 November 2016 & 5 January 2017

- **Membership 2016/17 and Autumn Newsletter**

The Membership pack has been updated and circulated to members in November 2016.

- **Llanfynydd Community Web site:**

The community website still requires some updating and reorganising. We have written to the Community Council asking whether they would prefer the current website to be for their use only and await their reply.

- **Making the most of your website and the internet**

Three members of the Committee attended a session in Carmarthen in November 2016, which was put on by CAVS.

- **Brainstorming Session**

We created a wish list of actions for the village and selected two items to focus on at present time:

- a). To explore the possibility of getting a Tree Preservation Order
- b). To improve the road surface outside the Church and down to the LVS planter

- **Community Historical Photos Social Evening**

We organized a very successful Social and Photos evening on 2nd February 2017 at the Pen Y Bont. This was an opportunity for people to see historic photos of people and places in Llanfynydd.

- **Bottle Bank for Llanfynydd**

At the Agricultural show 2016 the most popular suggestion on our ideas board was a bottle bank. To test the popularity of this idea further, we put this to Facebook and see how many people 'like' or 'share' it.

Coopers the Butcher

Coopers the Butcher are now outside the Pen y Bont every other Thursday following the regular coffee mornings selling their butchery goods.

- **Post Magazine**

We have arranged for the Post Magazine to be delivered to the Pen y Bont for members of the community to pick up.

- **Christmas Festivities, Lights, Dinner and Carol Service**

The annual Carol Service took place on 18 December 2016 and Helen Sargent read one of the lessons on behalf of the LVS, Chris Papworth kindly hung Christmas lights in the tree in the Church Yard, and LVS members enjoyed a non- Christmas dinner on 7th January 2017.

- **Village Defibrillator**

In addition to individual donations and fundraising the LVS made a donation of £150 to the defibrillator fund.
