

HALL PLOT MAINTENANCE SCHEDULE

- Lawned area** - mowing as required

- Wild meadow area** - First cut - 5cm - March/April
 Stop cutting June - August to allow wildflowers to seed
 Cut - 5 cm - September/October
 Remove all cuttings

- Shrubs** - prune as necessary, during dormant season

- Weeding** - on going as and when needed.

Mowing the lawned area will be the most regular task, therefore volunteers would be much appreciated to carry out this job.

If you could commit - even if its only once or twice during the season, please let one of the Community Councillors or the clerk know or fill in the table below.
